The Clemson, SC show is coming!

Make sure that you go to the SCPEA show in South Carolina October 9-10. Hopefully it will be much cooler than it has been this summer! We will be showing in Clemson, SC. See the [SCPEA webpage](#) for information about accommodations and stall reservations.

Letter from the President:

Hello Everyone,

2010 brought about some new challenges but we have managed to survive them. Our May show and the South Carolina June show were about equal in attendance. The Labor Day show in Unadilla was cancelled due to the small amount of reservations received. The Southern Gold Group Board felt this was in the best interest of each of the APA's that are involved. It was a difficult but necessary decision. The plan for now is to re-group and look at a different date for 2011.

Again this year NC had several members make the trip to Tulsa for the World Show and once again they made us very proud!! Congratulations to all of you! I don't have all the results, but they should be on the PHBA website. The World show proved to be an exciting 2 weeks of showing. I was honored to ring steward the youth world this year and wow what a different perspective from the middle of the arena. It is amazing what it takes behind the scenes to put the World Shows on. The Youth World was a great show and I saw some really great horses. What I got to see of the Open/Amateur World Show via the web stream was just awesome.

We will be holding our annual elections and membership meeting on November 6 at Main Street South Steak House in Randleman. The Youth will have their meeting at 3pm, the Board of Directors will meet at 3:30pm and the general membership meeting will start at 4pm. Following the meeting we will have a time of fellowship. Dinner will be available to be ordered as soon as we are ready. I have the room reserved until 7pm. Please make an effort to come and take part in the meetings and enjoy some great food. I would encourage each of you to attend our meeting as we will be electing officers, planning the awards banquet, yearend awards, and the 2011 show season. If you cannot be present for the meeting please email (lmcowell4@triad.rr.com) or write me with any ideas or concerns that you would like to have addressed. The nominating committee will be appointed in the next couple of weeks so please be ready to serve when you are called upon. I look forward to seeing everyone at the meeting.
